HELPING LOCAL CHURCH LEADERS LAUNCH DISCIPLE-MAKING MOVEMENTS

It's not just another conference. SPARK is a gathering of local church leaders passionate about personal discipleship. It's the start of a conversation that we believe will spark a disciple-making movement across our country. We've assembled a diverse team of practicing leaders ready to walk alongside you and your team as you seek to create a culture of discipleship in your unique context. Every part of the gathering - from our four main sessions to the over 30 incredible labs - has been intentionally designed by our team to help you develop your disciple-making strategy.
